

CAN'T YOU LOVE ME A LITTLE MORE

(Jonas Fjelsted)

well, I... I thought we felt the same
you hang me out to dry just to leave me in the rain
well, it's not me, it's you and only you
you need to follow through with the things you swore
can't you love me a little more

somehow, we still share a bed
but you can't be surprised I got one foot out the door as well
don't waste your breath, we're hanging by a thread
I just don't know what to do anymore
can't you love me a little more

can't you give me what I need
can't you love me like you used to before
or maybe just pretend
until it comes back to you again

can't you give me what I need
can't you love me like you used to before
or maybe just pretend
until it comes back to you again

can't you love me a little more
can't you love me a little more
can't you love me a little more
