

DADDY

(Jonas Fjelsted)

seems like yesterday I had to grow up fast
took years before I was able to look back
all of the memories
they were waiting for me
I only had to pull the curtain to see

daddy, you left a hole in me
feels like a gunshot wound
and it's sitting right where
all your lovin's supposed to be
daddy, oh, daddy, you left a hole in me

for the longest time I've been put together wrong
you skipped the manual on how to built your son
taking the pieces apart I understand

daddy, you left a hole in me
feels like a gunshot wound
and it's sitting right where
all your lovin's supposed to be
daddy, oh, daddy, you left a hole in me

I've learned to live with it
but it wasn't like you left me a choice
I've made my peace with it
but that doesn't mean it hurts any less
come tomorrow when I wake up
I'll wake up with the same old pain to kill

daddy, you left a hole in me
feels like a gunshot wound
and it's sitting right where
all your lovin's supposed to be
daddy, oh, daddy
daddy, oh, daddy
you left a hole in me
