

DEVIL IN MY EAR

(Jonas Fjelsted)

oh, how the tables have finally turned
as the sun rose up with me
it came right out of the blue
a change in me

for as long as I can remember
an angel and a devil in my ear
and on the dark days when her voice fades away
I'm stuck with him

he nearly drove me insane 'cause he wanted to
he made me dance his dance, he made me cry
naw, he aint ever done nothing good for me
but then came the day I quit believing
this devil in my ear

oh, how the bridges I let burn down
let it come much too far
I coulda saved myself from trouble and tears
and from the devil in my ear

he nearly drove me insane 'cause he wanted to
he made me dance his dance, he made me cry
naw, he aint ever done nothing good for me
but then came the day I quit believing
this devil in my ear
but then came the day I quit believing
this devil in my ear
