

LET YOU DOWN EASY

(Jonas Fjelsted)

I got a first class view I don't want
for watching what we built come undone
it's no pretty song that's playing
it's all gone just as quick as it came

the limit I knew and I broke it good
the line I crossed by a mile
I aint got no reason why I didn't
let you down easy

sometimes I wish your trust was something I
could just pick up, dust off and put to work
you're right refusing me when I'm down on my knees
at the mercy of you

the limit I knew and I broke it good
the line I crossed by a mile
I aint got no reason why I didn't
let you down easy
I let you down hard

the limit I knew and I broke it good
the line I crossed by a mile
I aint got no reason why I didn't
let you down easy
I let you down hard
I could've let you down easy
I let you down hard
