

## **NO MEDICINE**

(Jonas Fjelsted/ Eline Engholm)

this is yet another  
of your quick feel-better-deeds  
a cure to last forever but you're damaged goods  
you have some for sleeping  
you got your lucky coin  
a pill to stop the weeping and easing most your pain

it's long overdue for you  
you're fed up to the brim  
nothing you can get is ever gonna cut it  
aint no medicine  
no medicine

drink a gypsy potion  
or a homemade remedy  
if that is your solution  
don't expect a guarantee  
cast a secret spell  
to make a different fix  
will you ever heal and find the best of tricks

aint no medicine  
no medicine

it's long overdue for you  
you're fed up to the brim  
nothing you can get is ever gonna cut it  
there will never be  
no medicine  
no medicine  
aint no medicine  
there aint no  
aint no medicine
