

ROCK BOTTOM

(Jonas Fjelsted)

I figure it's a long way down
but I've come this far so come on bring the hurt
have my bad luck run out
or have I got more to spend this time around

if I haven't reached rock bottom yet let's get it over with
I keep on falling down without hitting the ground
I'm begging please, let me reach rock bottom

I'm getting to the bottom of this
when on fire I'm gonna let it burn
and in my free fall I know
at the end there's a lesson I'm eager to learn

if I haven't reached rock bottom yet let's get it over with
I keep on falling down without hitting the ground
I'm begging please, let me reach rock bottom

if I haven't reached rock bottom yet let's get it over with
I keep on falling down without hitting the ground
if I haven't reached rock bottom yet let's get it over with
I keep on falling down without hitting the ground
I'm begging please, let me reach rock bottom
I'm begging please, let me reach rock bottom
I'm begging please, let me reach rock bottom
